

ELROMA 2021

The 10th International Conference and Exhibition on Electrical Rotating Machines, Drives and Applications (**ELROMA**) focusing on Smart Efficient Rotating Machines & Control Solutions For Greener World is being held from **06-08 September 2021** by Indian Electrical and Electronics Manufacturer Association (IEEMA).

ELROMA 2021 exhibition will give you an opportunity to display and discuss latest state-of-the-art Technology and Solutions in Electric Motors, Generators, Drives, Manufacturing, Materials, Electrical Rotating Machines. Details/ brochure may please be seen on <https://ibentos.com/themes/wp-content/uploads/2021/07/ELROMA-Brochure.pdf>

A flyer of the event is attached below.

For delegate and visitor registration, please register on <https://elroma.ieema.org/event/>

Those Interested, may also please get in touch with:

- (i) Mr. Vivek Arora, Ph +91 98961 96106, E mail: elroma2021@ieema.org : for sponsorship, exhibition and ELROMA details
- (ii) Ms Pragati Sohoni, Ph: +91 98200 71173, E mail: pragati.sohoni@ieema.org : For queries on papers
- (iii) Mr. Ashutosh Vashisht, M: +91 84470 29917 Email: ashutosh.vasisht@ieema.org : For delegation registration queries
